

Organization for Understanding
Cluster Headaches

Board of Directors

Jackie Warrior, Director

Jackie has been a supporter to her husband, Blake, for over 20 years. She has been a member of OUCH for almost 10 years and serves on our Family Services Committee.

Jackie has made a career in manufacturing having started her own company 35 years ago which she still runs today. She has served in several philanthropic and service organizations. She was a board member and President of Kosko Conservation Club for 10 years and accepted an appointment by her Governor to sit on a panel of business people to advise MACOG and help with the JTPA.

Jackie and Blake live in northern Indiana where they enjoy golf, bridge, bass fishing and shotgun sports. They have 2 grown sons and 3 grandsons
